CATALOGUE ISSUED.

The catalogue for the big Kentucky State Fair, to be held at Lexington September 18-23, was issued last Friday. It is the handsomest and most complete catalogue ever issued for any State Fair in the country. Its typographical appearance is unexcelled and its arrangement is of such kind as to insure the easiest and most convenient access and to enable the securing of the information desired with the least possible trouble.

Nearly \$25,000 in premiums is offered for the fair. The classifications cover beef cattle, dairy cattle, horses of all kinds, mules and jack stock, swine, sheep, poultry and pigeons, vegetables and melons, field seeds and grain, tobacco, horticulture, plants and flowers, woman's work, table luxuries, farm implements, machinery, mines and mineral products. The variety of these different classifications assures exhibits that will be in themselves a liberal education.

A feature of the fair will be the magnificent Duss Band of forty-odd pieces, probably conceded to be the greatest band in America to-day. The Will S. Heck World's Fair Pike Co. will offer the novelty amusement features connected with the fair. They will include a Wild West show and a splendid animal show among other attractions. Reduced rates of one fair plus 25 cents for the round trip have been secured on all railroads from all points in Kentucky. There is every prospect of a record-breaking attendance, and there seems good reason to believe that this year's fair will be such a success as to insure its permanence along larger lines than heretofore.

SOLDIER BOYS COME HOME.

The Martin Guards, Co. C., 2d Regiment, Kentucky National Guards, and the Battery, from this city, returned from the State Encampment at Paducah, on Tuesday morning. The boys looked browned up by their service and in fine shape generally.

EXCURSION TO CINCINNATI.

The F. & C. Railway, in conjunction with the K. C. R. R. Co., will run an excursion from this city, to-morrow (Sunday), by way of Paris, to Cincinnati and return. The fare for the round trip will be only \$1.25. The train will leave this city at 7 a. m., reaching Cincinnati at 10:30 a. m. Returning it will leave the 4th street station at 8 p. m., reaching this city at 11:30 p. m.

This is the first excursion run by way of the Bourbon capitol and will no doubt be a very pleasant one.

DELIGHTFUL WEATHER.

The rains of the first of the week succeeded in reducing the temperature so that the weather has become ideal—the days being warm and the nights so cool that sleeping has become a blessed luxury.

ADMINISTRATOR'S SALE.

Messrs. W. C. Bryant and David Moore, administrators of the late Mr. W. D. Moore, have issued notice of a sale of the personalty of the decedent, such as cattle, mules, horses, farming implements, etc., which sale will occur on Tuesday next, August 22, on the premises near Benson Station, this county.

Cured

At 70 of Heart Disease Contracted

During Civil War—
Veteran Grateful.

Dr. Miles' Heart Cure
Effectuated Cure.

Heart disease is curable, but in people of advanced age it does not readily lend itself to ordinary treatment. There is, however, hope for all sufferers in Dr. Miles' Heart Cure, which we know from watching hundreds of cases and from the letters of grateful sufferers, will cure where all else has failed. It is not only a wonderful cure for weak and diseased hearts, but it is a blood tonic, a regulator of the heart's action and the most effective treatment ever formulated for improving the circulation of the blood.

"During the Civil war I contracted heart disease, and in 1896, while living in the grand old town of Lexington, Va., I grew so much worse, I left there with my wife to visit my sister-in-law, Mrs. T. A. Kirby, at Roanoke, Va. While I said nothing to anyone I never expected to live to return to the dear old town. On reaching Mrs. Kirby's she insisted I should try Dr. Miles' Heart Cure. I procured a few bottles of it, also the Nervine and Tonic. After using one or two bottles, I could see no improvement, and I despaired of ever being better, but my faithful wife insisted on keeping it up, which I did. Improvement soon began in earnest and I took in all fifteen or sixteen bottles. I was restored to perfect health and while I am 70 years old, I am comparatively a boy. You sir, are a benefactor, and I cheerfully recommend Dr. Miles' Heart Cure to suffering humanity."—J. L. SLAUGHTER, Salem, Va.

BEAUTIFUL RECEPTION.

Dr. John P. Stewart and wife held a delightful reception at their handsome residence (so long known as the K. M. I., and now as the "Stewart Home," on Tuesday evening last.

Notwithstanding the threatening weather, there was a large assembly of our best people, who thoroughly enjoyed the affair.

The beautiful grounds were lighted up, and presented an ideal scene. Delightful music was furnished by Louisville harpers.

Dainty and appetizing refreshments were served.

The guests departed enthusiastic in commendation of their hospitable entertainers.

FRANKLIN BAPTIST ASSOCIATION.

The Franklin Baptist Association will meet next Wednesday, August 23d, in the pavilion at Cove Spring Park, in its 91st annual session. Dr. U. V. Williams, of this city, is the Moderator. Mr. E. R. Jones, of Switzer, is the Clerk. Doubtless there will be a large attendance from the sixteen churches composing the body.

The large auditorium will afford abundant room for all, and it will be a cool and pleasant place to transact the business. There are over 3,000 members in the various churches connected with the Association.

THE ONLY WAY.

There is no way to maintain the health and strength of mind and body except by nourishment. There is no way to nourish except through the stomach. The stomach must be kept healthy, pure and sweet or the strength will let down and disease will set up. No appetite, loss of strength, nervousness, headache, constipation, bad breath, sour risings, rifting, indigestion, dyspepsia and all stomach troubles that are curable are quickly cured by the use of Kodol Dyspepsia Cure. Kodol digests what you eat and strengthens the whole digestive apparatus. J. W. Gayle.

BUYS DELIGHTFUL HOME.

Mr. Jas. F. Montgomery has purchased from Dr. J. S. Coleman the handsome residence in which he has resided for several years, on Shelby street, south of Campbell. The consideration was \$4,500. This is a very desirable home.

AGONIZING BURNS

Are instantly relieved, and perfectly healed, by Bucklen's Arnica Salve. C. Rivenbark, Jr., of Norfolk, Va., writes: "I burnt my knee dreadfully; that it blistered all over. Bucklen's Arnica Salve stopped the pain, and healed it without a scar." Also heals all wounds and sores. 25c at all druggists.

POULTRY EXHIBITION.

To be Held Here Four Days in December.

"The State Fanciers and Breeders Association of Kentucky," of Frankfort, Ky., was organized here Tuesday night for the purpose of "improving the standard of poultry and pet stock in this locality." An exhibition of poultry, pigeons and pet stock will be held here December 19, 20, 21 and 22, and breeders of thoroughbred stock from all over the United States will be invited to participate with them, bringing here their best stock to encourage the city fancier and farmer to study standard bred stock and improve the quality of their own flocks. The standard bred poultry business has proven to be most profitable. The demand for high quality poultry and choice eggs can not be supplied, is increasing rapidly and poultry shows are the greatest educators in that direction known.

The association has engaged Mr. Theo. Hewes, of Indianapolis, Ind., to judge the show for them. Mr. Hewes is a judge of national reputation and is considered one of the best in this country. He was selected by the St. Louis World Fair Purchase Exposition as one of the judges of the World Fair Poultry Show, and officiates in all of the most important shows in the United States. The association is extremely fortunate in getting such a man.

Boston, New York, Philadelphia, Cincinnati and Louisville hold these shows annually, and they have proven to be the attraction of the year. It is to be hoped that the merchants and the people generally will do everything in their power to assist these gentlemen in making the show a grand success. Any one wishing to join this organization can do so by calling on the secretary and paying \$5.00 membership fee. The following officers were elected:

President—H. H. Roberts.
Vice President—Albert Blanton.
Secretary and Treasurer—John H. Cassell.
Superintendent of Poultry—W. A. Glanton.

Superintendent of Pigeons—W. H. Hoge.

Executive Committee—H. H. Roberts, W. McKee Hardie, Hubert Vreeland, John H. Cassell, Eugene E. Hoge, W. A. Glanton, B. T. Bedford, Albert B. Blanton, W. E. Bosworth, H. C. Wilson, A. D. Fendley, W. S. Morris, C. C. Hazelrigg, H. K. Vaughan, W. H. Hoge.

KILLED BY LIGHTNING.

On the farm of Mr. J. Elliott Gaines, near Farmdale, two very valuable cows and a calf were killed, in a hundred yards of his house, during the storm of Saturday evening. One of the cows Mr. Gaines had refused forty dollars for and the other one was equally as valuable. Sympathy is extended to our friends in their loss.

DANGEROUS AND UNCERTAIN.

For sunburn, tetter and all skin and scalp disease, DeWitt's Witch Hazel Salve has no equal. It is a certain cure for blind, bleeding, itching and protruding piles. It will draw the fire out of a burn and heal without leaving a scar. Boils, old sores, carbuncles, etc., are quickly cured by the use of the genuine DeWitt's Witch Hazel Salve. Accept no substitute as they are often dangerous and uncertain. Sold by J. W. Gayle.

State College of Kentucky

Lexington, Kentucky.

The Agricultural and Mechanical (State College) of Kentucky offers the following courses of study, viz: Agricultural, Horticultural, Chemical, Biological, Mathematical, Physical, Normal School, Classical, Mechanical Engineering, Electrical Engineering, Civil Engineering, and Mining Engineering, each of which extends over four years and leads to a degree. Post graduate studies are also provided, leading to a master's degree. Each course of study is organized under a separate faculty. The general faculty number nearly fifty professors and instructors.

County appointees receive tuition, room rent in dormitories, fuel and light, and if they remain ten months, traveling expenses.

The laboratories and museums are large, well equipped, comprehensive and modern.

The Legislature appropriated \$60,000 for a college home for young women and \$30,000 for drill hall and gymnasium for men. Both buildings are completed and in use. Military tactics and science are fully provided for as required by Congress.

Graduates from the several courses of study readily find excellent positions and liberal remuneration. The demand is largely in excess of the ability of the College to supply.

Specialists with the necessary number of assistants have charge of each department of natural science. Summer schools are provided for pedagogy, engineering, instruction in science and in arts.

The State College of Kentucky, though bearing hitherto the title of "college," is the only institution in the Commonwealth doing, in any proper sense, university work.

The completion of the College home for young women provides facilities for good board and lodging. It is equipped with all modern conveniences, including bath rooms and room for physical culture. It is heated by steam and lighted by electricity.

An opportunity is thus afforded to young women of obtaining a thorough education in classic, modern language, literature, science, mathematics, logic, metaphysics, history, and political economy.

No other institution in the State offers advantages for education of women at all comparable to those offered by the State College of Kentucky.
